## Overview:

September 2018 had the lowest monthly total for the 8 Crime Indicators for 2018, as well the lowest amount of overall total occurrences for 2018. Break & Enter occurrences remained consistent; however the remaining categories were down nearly half in comparison to the August statistics.

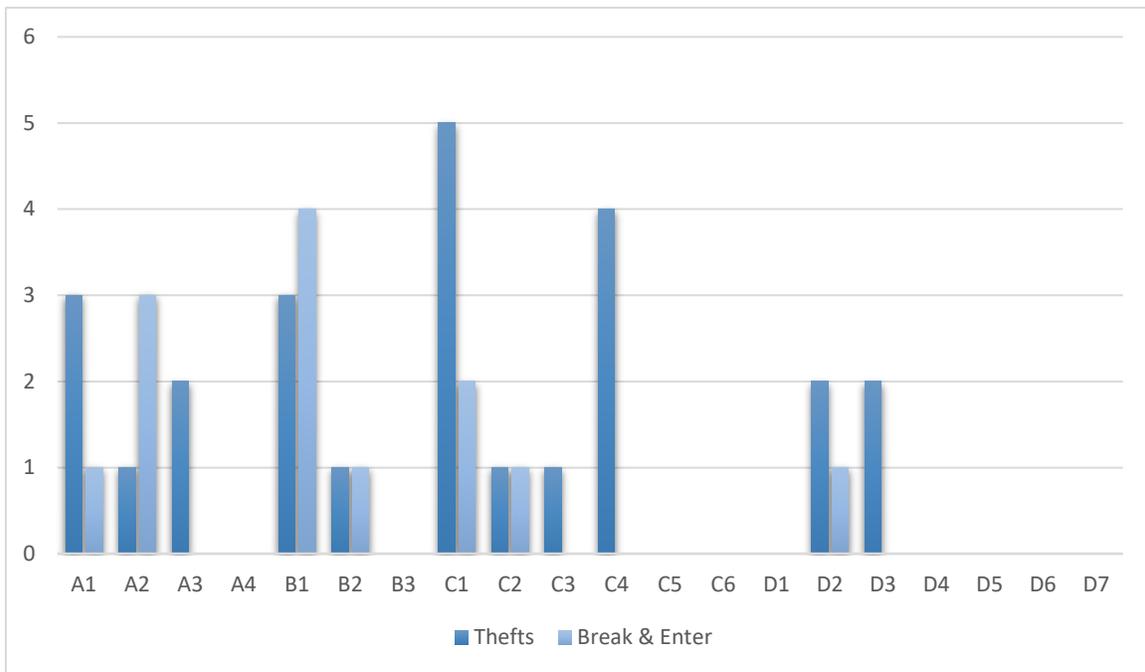

Theft occurrences recorded a decrease of 35% from July & August, 2018 to September, 2018. A Crime Prevention initiative was launched called “Nightly at Nine”, encouraging citizens to get into a routine of ensuring their property is locked every night at 9:00 PM. It is feasible to relate some of this decrease to this Crime Prevention Initiative.
